### **Jon Treichel and Kelly Spencer**

After talking about it for years, Jon and Kelly have been playing together since the spring of 2007. Playing mostly rock and roll and pop music, along with a bit of folk, funk, soul and reggae with a little jazz and Latin mixed in. You will hear a lot of guitar, vocals along with a thumping rhythm stomped out on Kelly's "stomp box"! Jon Treichel is a local boy. He is looking forward to coming back and playing in Lillooet! Let us make sure we come out and show our appreciation!
